

Dusk to Dawn

(Part# DD42W)

wet location

Dimmable

The DD42W with polycarbonate lens provides a smooth and even light pattern. The durable die-cast aluminum housing is designed for greater heat dissipation which allows for lower operating temperatures and results in brighter light, more stable color and longer LED & driver life. Twist-lock photocontrol and mounting arm included.

- Glare-free design
- Suitable for pole mount and surface light commercial applications
- Powder-coated gray finish
- 1-5/8" diameter mounting arm included
- 4000 lumens @ 39W, 100 LPW
- CCT: 5000K @ 70 CRI
- Wet Location Listed
- 5 year warranty

Photocontrol included

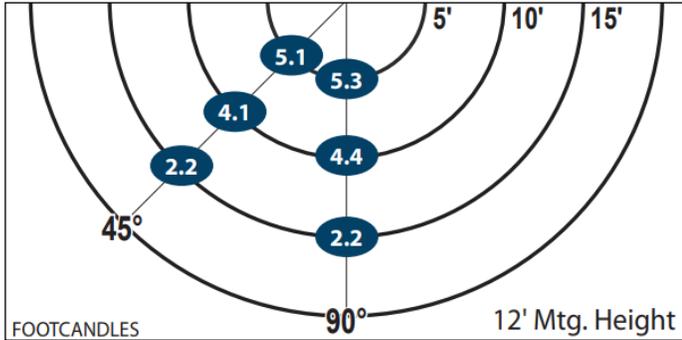

Mounting Arm included

Dusk to Dawn (DD42W)

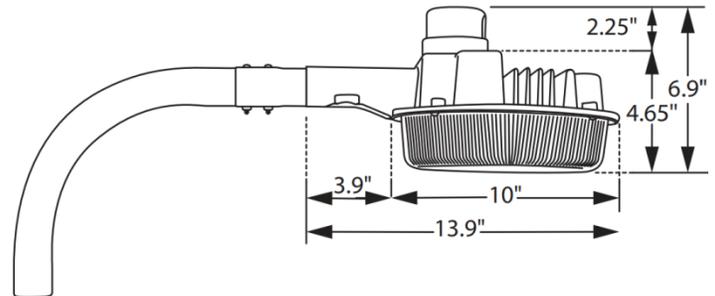

Recommended Height: 12 to 14 ft.
