

# Proud to be a Petroleum & C-Store LED Lighting Leader

Value • Performance • Reliability • Sustainability

LED Exterior Lighting

LED Interior Lighting & Signage

LSI's revolutionary lines of LED lighting fixtures have been specifically designed for both Retail Petroleum and C-Store applications, such as canopies, exteriors and C-Store interiors. LED lighting is one of the best investments available to retail stations. It can dramatically reduce energy usage while also improving the look & feel of locations. It can provide customers with a shopping environment that is perceived of as being cleaner, brighter and safer.
